About Us.

Introduction

Founded in 1989, Electric Centre has been a cornerstone in the electrical contracting industry, serving Kolkata and beyond with unparalleled expertise and dedication. Established to meet the increasing demand for quality electrical installations and maintenance, we have become a trusted partner for industries, power plants, multi-storied buildings, offices, and commercial complexes.

Over the years, we have grown into a formidable team of over 30 skilled professionals, including experienced engineers, electricians, supervisors, and laborers. Our team's combined expertise enables us to deliver innovative, efficient, and reliable electrical solutions tailored to the unique needs of each client.

From handling government tenders to executing large-scale commercial and residential projects, Electric Centre has built a reputation for excellence. With a comprehensive inventory of advanced electrical equipment and a client-focused approach, we ensure that every project is completed to the highest standards of quality, safety, and compliance. Whether it's electrical design, installation, or maintenance, we are committed to powering progress and illuminating possibilities for our clients.

Mission & Vision.

MISSION

Our mission is to provide advanced, cost-effective electrical solutions while ensuring uncompromising standards of quality, safety, and compliance. By empowering a skilled workforce, we aim to build a sustainable future and deliver lasting value to all stakeholders.

VISION

Our vision is to lead the electrical contracting industry by delivering sustainable and innovative solutions, setting new benchmarks in safety, quality, and compliance. We strive to inspire progress, build trust, and shape the future of the electrical sector through professionalism and innovation.

The Organization.

TAPAN KUMAR BARASH

PROPRIETOR

The company has been led by an experienced proprietor since its inception, bringing a vision for excellence and a dedication to quality in every project.

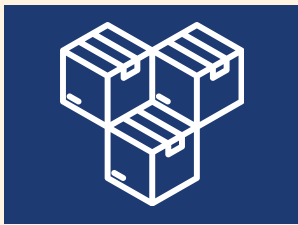

OUR TEAM

We take pride in our team of qualified professionals who bring a wealth of expertise to every project. From seasoned electricians to innovative designers, our team ensures that all projects meet the highest standards of quality and safety.

Our Services

Our services also include specialized expertise in HT work for 11 KV, 6.6 KV, and 415 volt systems. We provide comprehensive turnkey electrical solutions tailored to the needs of government bodies, businesses, and residential clients. Our commitment to fostering strong client relationships and ensuring efficient project management has established us as a trusted partner in the electrical contracting industry.

INSTALLATION

- LT/HT Electrical Systems (11 KV, 6.6 KV, and 415 volt systems)
- Transformers and electrical panel boards
- Electrical cable laying for factories, offices, and residential buildings

DESIGN & PLANNING

- Blueprints adhering to building codes and environmental standards
- Comprehensive electrical planning and drawing

PROJECT MANAGEMENT

- End-to-end project supervision
- Routine maintenance and troubleshooting
- Compliance with environmental and safety standards
